

भारतीय चिकित्सा एवं होम्योपैथी भेषजसंहिता आयोग

PHARMACOPOEIA COMMISSION FOR INDIAN MEDICINE & HOMOEOPATHY

आयुष मंत्रालय, भारत सरकार

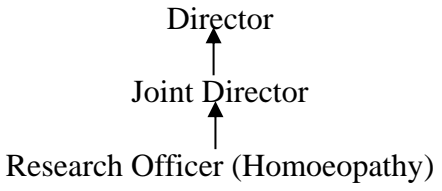

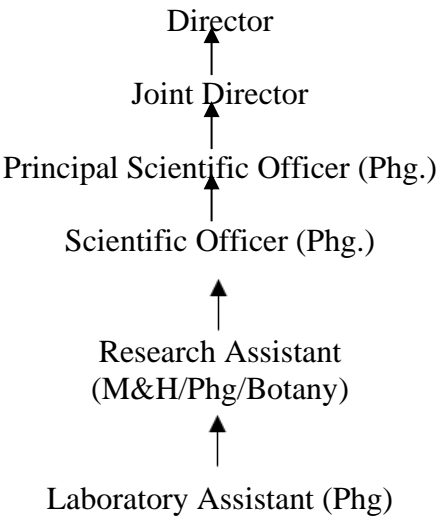

Ministry of AYUSH, Government of India

1.3.iv. Channel of supervision and accountability

Section	Accountability	Channel of supervision
Ayurveda	<ol style="list-style-type: none">To provide technical support to Ayurvedic Pharmacopoeia Committee (APC) and its subcommitteesTo provide technical support to manufacture of compound formulations of Ayurvedic medicine, characterization and providing classical referencesDeveloping Standard Operating Procedures (SOPs) of Ayurvedic drugsTechnical review and support to publish Ayurvedic Pharmacopoeia of India (API) for single drugs, formulations, Ayurvedic Formulary of India (AFI), Thin Layer Chromatography (TLC) Atlas, Macroscopy and Microscopy AtlasResearch & Development and publishing related scientific informationAny other technical and non-technical work pertaining to Ayurveda	<p style="text-align: center;">Director ↑ Joint Director ↑ Principal Scientific Officer (Ayu) ↑ Scientific Officer (Ayu)</p>
Siddha	<ol style="list-style-type: none">To provide technical support to Siddha Pharmacopoeia Committee (SPC) and its subcommitteesTo provide technical support to manufacture of compound	

	<p>formulations of Siddha medicine, characterization and providing classical references</p> <ol style="list-style-type: none"> 3. Developing Standard Operating Procedures (SOPs) of Siddha drugs 4. Technical review and support to publish Siddha Pharmacopoeia of India (SPI) for single drugs and Siddha Formulary of India (SFI) 5. Research & Development and publishing related scientific information <p>Any other technical and non-technical work pertaining to Siddha</p>	<p style="text-align: center;"> Director ↑ Joint Director ↑ Scientific Officer (Siddha) </p>
Unani	<ol style="list-style-type: none"> 1. To provide technical support to Unani Pharmacopoeia Committee (UPC) and its subcommittees 2. To provide technical support to manufacture of compound formulations of Unani medicine, characterization and providing classical references 3. Developing Standard Operating Procedures (SOPs) of Unani drugs 4. Technical review and support to publish Unani Pharmacopoeia of India (UPI) for single drugs, formulations, National Formulary of Unani Medicine (NFUM) 5. Research & Development and publishing related scientific information 6. Any other technical and non-technical work pertaining to Unani 	<p style="text-align: center;"> Director ↑ Joint Director ↑ Scientific Officer (Unani) </p>

<p>Homoeopathy</p>	<ol style="list-style-type: none"> 1. To provide technical support to Homoeopathic Pharmacopoeia Committee (HPC) and its subcommittees 2. To provide technical support to manufacture Homoeopathic medicines 3. Developing Standard Operating Procedures (SOPs) of Homoeopathic drugs 4. Technical review and support to publish Homoeopathic Pharmacopoeia of India (HPI) 5. Research & Development and publishing related scientific information 6. Any other technical and non-technical work pertaining to Homoeopathy 	 <pre> graph BT RO[Research Officer (Homoeopathy)] --> JD[Joint Director] JD --> D[Director] </pre>
<p>Pharmacognosy</p>	<ol style="list-style-type: none"> 1. Botanical standardization of plant drugs by macroscopy, microscopy and powder characterization 2. Pharmacognostic validation of Pharmacopoeial work 3. Conducting survey and collection tours to different agro-climatic zones of the country to collect samples of raw drugs. These collected samples are authenticated, analysed and duly processed so as to add/update them to the museum/BRS repository as well as for developing Pharmacopoeial Standards. 4. To develop and maintain National level BRS Repository with passport data of authentic reference raw materials used in 	 <pre> graph BT LA[Laboratory Assistant (Phg)] --> RA[Research Assistant (M&H/Phg/Botany)] RA --> SO[Scientific Officer (Phg.)] SO --> PSCO[Principal Scientific Officer (Phg.)] PSCO --> JD[Joint Director] JD --> D[Director] </pre>

	<p>the manufacture of ASU&H medicines</p> <ol style="list-style-type: none"> 5. To develop and maintain a digitized crude drug library 6. Capacity building/imparting training to the project assignees/other stake holders 7. Research & Development and publishing related scientific information 8. Any other technical and non-technical work allotted pertaining to pharmacognosy 	
Chemistry	<ol style="list-style-type: none"> 1. Standardization of ASU&H single drugs and compound formulations 2. Development of finger print profile for ASU&H drugs 3. Capacity building/imparting training to the project assignees/other stake holders 4. Research & Development and publishing related scientific information 5. Any other technical and non-technical work pertaining to chemistry and phyto-chemistry 	<p style="text-align: center;"> Director ↑ Joint Director ↑ Principal Scientific Officer (Chem) ↑ Scientific Officer (Chem/ Inorg.Chem) ↑ Research officer (Chem) ↑ Senior Scientific or Research Assistant ↑ Research Assistant ↑ Laboratory Assistant </p>
Pharmacology	<ol style="list-style-type: none"> 1. Pharmacological screening of ASU&H drugs 2. Establishment and maintaining of animal house 3. Insilico Pharmacological studies on ASU Drugs 4. Research & Development on ASU drugs and publishing related scientific information 5. Any other technical and non-technical works pertaining to pharmacology 	<p style="text-align: center;"> Director ↑ Joint Director ↑ Scientific Officer (Pharmacology) </p>

Microbiology	<ol style="list-style-type: none"> 1. To carry out the quality control tests and standardization of the ASU&H drugs. 2. Any other technical and non-technical work t pertaining to microbiology 	<p style="text-align: center;"> Director ↑ Joint Director ↑ Scientific Officer (Microbiology) ↑ Research officer (Microbiology) ↑ Scientific Assistant ↑ Laboratory Assistant </p>
Administration	All admin related works	<p style="text-align: center;"> Director ↑ Joint Director ↑ Administrative officer or In-charge ↑ Assistant </p>
Establishment	Staff service matters, recruitment and other related matters	<p style="text-align: center;"> Director ↑ Joint Director ↑ In-charge </p>
Finance & Accounts	Budget related matters, routine accounts work	<p style="text-align: center;"> Director ↑ Joint Director ↑ Drawing & Disbursing Officer </p>
Store	Store & Purchase make tender enquiry, prepare indents, place to purchase committee as per GFR.	<p style="text-align: center;"> Director ↑ Joint Director ↑ Store Officer </p>
Publication and Data Center	In-charge of library documentation, procurement and maintenance of books & journals data bank etc.	<p style="text-align: center;"> Director ↑ Joint Director ↑ Library Information officer ↑ Assistant library Information officer </p>
Maintenance	To maintain instruments, pharmacy machinery, storage of raw materials	<p style="text-align: center;"> Director ↑ </p>

	and general maintenance pharmacy etc.	<p style="text-align: center;"> Joint Director ↑ Administrative Officer or Incharge ↑ Junior Technician </p>
Pharmacy	To maintain instruments, pharmacy machinery, general maintenance of pharmacy and support in the ASU drugs preparation	<p style="text-align: center;"> Director ↑ Joint Director ↑ Pharmacy Incharge ↑ Pharmacy Assistant </p>
Training	Capacity Building Training Program for Drug regulatory Authorities, State Drug Testing Laboratories (Drug Analysts), Drug Manufacturers, Principals/ Pharmacy in-charge/P.G. students of ASU&H Homoeopathic Medical Colleges as capacity building programme	<p style="text-align: center;"> Director ↑ Joint Director ↑ Research Officer (Training) </p>
Drug Testing	Analysis and drug testing of ASU&H medicine as an appellate laboratory	<p style="text-align: center;"> Director ↑ Joint Director ↑ Research Officer (T) ↑ Scientific Assistant ↑ Laboratory Assistant </p>
